

We are delighted to invite you to our...

OPEN DAY

3D Laser Scanning and Virtual Environment workshop

OR3D will showcase the latest 3D scanning technologies from ourselves and our partners.

We will also be introducing our immersive mobile virtual reality platform designed to take onto client sites.

The Venue, Park Hall, Oswestry
30th June 13:00 - 16:00

For more information and to register, please take a look at our website...
